

CAMP KUPONO COVID-19 WAIVER

1. Has your child have any of the following severe symptoms: shortness of breath, fever (over 100.4°F), chest pain and pressure, sore throat, nausea/vomiting in the last 48 hours?

YES                      NO

2. Does your child have a NEW loss of taste or smell?

YES                      NO

3. Has your child been in close contact (within 6 feet or less for over 15 minutes) with anyone with a COVID-19 diagnosis (confirmed or probable) within the last week?

YES                      NO

4. It is understood that Camp Kupono cannot guarantee that your child will not come into contact with or become infected by the coronavirus. Your mere physical presence at Camp Kupono could increase your child's risk of becoming infected by the coronavirus and developing COVID-19.
